Hon, James S. Fielder Renounces the Democratic Party.

The subjoined letter was received at the Silver City Enterprise office last week and is from the pen of Hon. Jas. Fielder, councilman from that district, and one of the most prominent attorneys in the territory. That Mr. Fielder is a deep thinker none, not even his enemies, will dare to deny, and that he reached his present con clusion after months of careful, hard study, is shown by his logical state-
